

A.T.K.T. Examinations October 2021
Regular and Repeater Examinations October-November-December 2021

Instructions to Candidates for the On Line Examinations

- (1) All questions in the paper are multiple choice questions.
- (2) There are 50 multiple choice questions.
- (3) You have to attempt all questions.
- (4) All questions have four alternatives. Select the most appropriate alternative by clicking on the bullet next to it.
- (5) Each multiple choice question is for 01 marks. Marks will be scaled up appropriately.
- (6) The duration of the paper is one hour.
- (7) If for some reason internet connectivity is suddenly lost. Re-login. You will be allowed to continue from the point where you left off.
- (8) Please note you will not be given any extra time.
- (9) Review all your answers before you finally submit your paper.
- (10) You cannot change your mind about any answers once the paper has been submitted.
- (11) There is no revaluation.
- (12) Do not attempt to open another tab in the browser or open another window. It will be taken as an attempt to use unfair means.
- (13) Follow the instructions that have been given by our service provider in the 2021 Student Manual on the college website. Read this manual before the actual examination day.
- (14) Ensure that your mobile phones or laptops are fully charged before the start of the exam.
- (15) Ensure that you login only with the cell phone number officially registered with the college in the Google form.
- (16) For all exam related matters refer to the college website only. We do not display exam related information on social media.
- (17) On the examination days for any technical issues please use the helpline numbers that have been provided on the college website.
- (18) To report any exam related issue please use the Google form link on the college website.

All the Best.

Dr. M. B. Fernandes
