

**THE WHEY • THE TRUTH • THE LIFESTYLE**

The fitness industry is a great sector to work in for a number of reasons. The demand for trained professional fitness instructors is high. This profession is growing in leaps and bounds due to the fact that more and more people are deciding to get healthy and fit, and a qualified personal trainer is the need of the hour.

Another advantage is that you can become a fitness personal trainer at any time in your life, whether you are 18 or 40, and can continue to be a much looked up on trainer for as long as you wish to as long as you choose to stay fit and healthy yourself. Upgrading and being abreast of new training methods will enhance your knowledge and capabilities. The Finished Work Academy is here to help you do just that!

Our continual education programs and support will be available to all our students. Discounts will also be offered to repeat students.

### **We have listed a few benefits of being a Personal Trainer:**

Changing people's lives:

Being a certified trainer, you will have the ability have the ability to change your client's lives for the better. You help them achieve their goals and become fitter, healthier and more confident.

You stay healthy:

Being professionally trained, you will be able to stay fit and healthy by working out in your free time. Your personality will begin to attract clients to you and help you increase your business.

Build your social life:

The social side makes the job very interesting. Meeting different people from different walks of life will help widen your own horizon.

Your passion is your career: If you decide to become a personal trainer because you are passionate about health and fitness then this is the perfect career for you. You will not only be able to do something you love every day but you will be paid to do so.
