Please note that this is the second attendance defaulters' list for Semesters I, III and V for July and August 2026 combined.

Attendance will continue to be monitored regularly for Semesters II, IV and VI.

Students are advised to ensure that their attendance improves and remains at the required level.

In case there is no improvement in attendance, the College may be required to take appropriate action as per the University norms.

Students are therefore advised to take the necessary steps to improve their attendance and avoid further action.
