**I. Matters arising out of the minutes of the IQAC Meeting held on 30 September 2016**

Dr. Mody observed that contacting the BMA regarding provision of facilities for the disabled was not part of her mandate which focused on governance.

**II. To read and confirm the minutes of the IQAC meeting held on 30 September 2016**

The minutes were read, proposed by Dr. Tavares, and seconded by Dr. Braganza.

**III. To check changes undertaken in Quality Enhancement with regard to:**

**a) Curricular Aspects**

- Every department conducts at least two department meetings per semester. The Principal suggested the organisation of departmental seminars in this connection. A session devoted to the Union Budget was advised.
- Dr. Tavares proposed to start a Research Methodology short-term course by next year. The Principal expressed her appreciation to the Accounts department for successfully starting short-term courses. Ms. Bhagwat and Ms. Sarvani elaborated on the Data Science course. In connection with collaboration with SPICE, the Principal requested Ms. Bhagwat to state the terms of SPICE.
- The Principal planned to put dates on the Academic calendar for taking feedback from stakeholders. She also suggested changing the mass timings from 11:30 to 12:00.

**b) Teaching – Learning and Evaluation**

- Interactive Moodle Server: Ms. Sarvani reported that students were finding it difficult to use the Moodle server because of its complexity.
- Encouraging faculty to earn a Ph. D. degree: The Principal requested Ms. Bhagwat to encourage the young staff to undertake Ph. D. studies.
- The dependence on guest faculty had reduced due to recruitment.

**c) Research, Consultancy and Extension**

- Enhancement of Research and Consultancy: A Research Committee has been formed and will identify reputed journals.

- Encouraging staff to take up Consultancy work: The Principal suggested a beginning with small projects. The Department of Psychology could undertake performance appraisal as consultancy work.
- Motivating staff to undertake major/minor research projects: The Principal appraised the meeting of her minor research project from the University of Mumbai. She encouraged other staff to do the same.

**d) Infrastructure and Learning Resources**

- Additional Facilities for differently-abled students: It was decided to keep some books in the Library. Mr. J. D'Souza offered to sponsor the books.
- National Digital Library: The Librarian recommended an orientation program for students for use of the national digital library.

**e) Student Support and Progress**

- Ms. Malhotra apprised the members about the placements position. The data has been filed and is available to the IQAC.

**f) Governance, Leadership and Management**

- Advancement in collaborations with Industry (Meeting with Bombay Management Association): Dr. Mody recommended a college policy related to collaboration with the BMA. Mr. E. Fernandes offered to find out the membership fees etc.
- Undertaking Internal and External Audits: An external audit was conducted in Jun. by the Principal of Jai Hind College. Internal audits were undertaken by Heads of Departments and senior teachers in February 2017.
- Alumni Association: Mr. Agha reported problems with Dubai due to which the Gulf meeting in Dubai had to be cancelled. He also recommended Alma Shines.

**g) Innovation and Best Practices**

- More Best Practices to be identified: The Principal suggested an energy audit and paperless office. Water bills should be monitored to conserve water.
- Introducing more eco-friendly initiatives: The investment for solar panels is very high. Ms. Melanie proposed adopting a village in collaboration with the NSS.

**IV. Any other Business**

**a) Perspective Plan for the College**

- The Principal informed the IQAC that a perspective plan had been formulated for the college. The plan focusses on the improvement of research, introduction of additional courses, more industry collaborations, better placements and looking at revenue-enhancing activities like consultancy.
- In this context the Principal informed the IQAC about possible collaborations with foreign universities in France (Exchange Programme) and Canada (Ottawa University).
