ST. ANDREW’S COLLEGE
OF ARTS, SCIENCE, & COMMERCE
NAAC ACCREDITED – ‘A’ GRADE
The College Crest

Against the scenario of darkness that has engulfed the human horizon due to ignorance, oppression, corruption, denial of justice and human rights, inhuman treatment of women, drugs, alcoholism depicted by the dark background on the crest there is light which dispels the gloominess of our world and heralds joy and peace. It is the light of Jesus Christ, represented by the white host, who said "He who follows me will not walk in darkness".

The patron of our college, St Andrew, conscious of the social dimensions of the gospel, dared to share the light of Christ with others. His death is signified by the red diagonal Cross. The crest embodies our sincerity to enlighten the darkness that clouds our environment, by striving to live lives built on love and service.

Let St. Andrew's College be widely known and appreciated for the fibre and sinew of moral and intellectual strength of the academic community, which it is privileged to house and nourish, and for its efforts to dispel darkness and brighten the lives of our sisters and brothers.

St. Andrew’s College, Bandra (W)
Introduction

St. Andrew's College is the result of the thoughtfulness of a few visionaries under the leadership of His Eminence Simon Cardinal Pimenta. It was founded by the Catholic Archdiocese of Bombay (Mumbai) primarily, but not exclusively, for the Catholic community. The Archdiocese has a large network of schools and colleges spread all over the city, Navi Mumbai, and in the districts of Thane and Raighad. Mumbai, the "Urbs prima", has a big share in the educational apostolate. St. Andrew's College, being under the jurisdiction and control of the Archbishop of Bombay (Mumbai), enjoys the status of a minority educational institution.

We were privileged to have Nobel laureate Mother Teresa unveil the plaque that heralded the beginning of St. Andrew's College of Arts, Science, and Commerce on 1 January 1981. After gaining permission from the Government of Maharashtra and the University of Mumbai, the Degree College was inaugurated on 9 July 1983. We have come a long way since then and today are able to offer our students good infrastructure, experienced faculty, efficient administration and a wide repertoire of courses.

We endeavor to stand for academic excellence, development of skills, and especially character formation based on the love of God and service of people as exemplified in the person of Jesus Christ. We aim to train our students to become good citizens, distinguished for their sincere commitment to God and country. We seek to infuse in them a sincere concern for others, to make their lives socially meaningful and useful by lending a helping hand to the oppressed and the downtrodden.
Welcome to St. Andrew's College

St. Andrew's College located in Bandra, Mumbai's Queen of the suburbs is a leading college and has been accredited with an 'A' Grade by NAAC (National Accreditation and Assessment Council) and the Maharashtra Board. It is the highest grade given to colleges and we are justifiably proud and happy.

Our goal is to develop the intellect and inspire our students to act righteously. Like Socrates we believe that the love of wisdom is itself a sacred path, a holy quest, not a game to be taken lightly. St. Pope John Paul II endorsed this view in his Ex Corde Ecclesiae when he said reverence for God, encoded in the mission of a Catholic college, makes it a special community of professors and students, universitas magistrorum et scholarium, and they are united by the same love of wisdom. Our faculty is well qualified, dedicated, and sensitive to the needs of our students.

We offer a rich programme of graduate courses that encourages students to appreciate the beauty of nature and God's creation, to note historical and social realities, to understand the psychology of human behaviour, to study economics, financial accounting, management, mass media, international finance and marketing. We equip students to realise their potential for electronics and web technology and also cater to the appetite for food production, beverage service and hospitality. Besides the myriad academic courses, the college has a full calendar of events and activities in an impressive auditorium and campus in order to realise our vision to provide young men and women a holistic education.

Through our integrated programme of head and heart we hope to reform, create, and develop systems that prepare our wards to work in a borderless economy and live in a global society. We invite prospective candidates to visit our campus or our website and discover what makes St. Andrew's College special.

Dr. Marie Fernandes  
Principal

ORDINANCES/CONDITIONS FOR GRANTING TERMS AT THE DEGREE COLLEGE

O .6086 : Attendance for learners

1. There shall be an Attendance Committee in every college/Institute/Department of the University comprising of at least three members (to be nominated from other departments in case of the University Departments having less than 3 teachers), the Vice-Principal/Senior Teacher (Convener), and at least two more teachers ensuring representation of the concerned faculties, nominated by the Principal/Director/Head.

2. Every bonafide learner shall ordinarily be allowed to keep terms for the given semester in a program of his/her enrolment only if he/she fulfills at least 75% of the attendance taken as an average of the total number of lectures, practicals, tutorials etc. wherein short and/or long excursions/field visits/study tours organized by the college and supervised by teachers as envisaged in the syllabus shall be credited to his/her attendance for the total number of periods which are otherwise delivered on the day/s. Further it is mandatory for every learner to have minimum 50% attendance for each course & average attendance has to be 75%.

3. The same ratio shall be applied for computing the attendance of learners by crediting the number of periods which are missed while participating in an extracurricular/co-curricular activity/competition/camp/workshop/convention/symposium/seminar etc. where the learner is officially representing the college/University/District/State/ Country with the permission of the Principal/Director/Head of the College/Institute/ University Department or by the direction of the University Officer as the case may be wherein for the purpose of computing the average attendance the periods missed for what is envisaged here-in-above, at Sr. No 2 shall be deemed to have been attended by the said learner.

4. Without prejudice to what is stated here-in-above, the Principal/Director/Head of the concerned College/Institute/Department of the University shall be the competent authority to condone the absence of any learner further up to additional 25% if deemed fit and on recommendation of the Attendance Committee of the college/Institute/Department of the University wherein it is mandatory on the committee to do natural justice by giving a personal hearing to every learner falling short of minimum attendance for keeping terms and recommending case by case to the competent authority having verified the genuineness and gravity of the problem that justifies the learner to remain absent which generally shall be limited to his/her own sickness, sickness of parent, death of parent etc. supported by valid evidence, documentary or otherwise.
5. The Attendance Committee ensures that attendance records are maintained. Warning letters are issued to defaulting learners at least twice in every semester. The Defaulters List is displayed on the college notice board in the first week of every month. The defaulting learners should also be called (along with parent/guardian wherever necessary) to meet the Convener, Attendance Committee in the middle of the semester with a view to make the consequences adequately clear while understanding the difficulties, if any, and encouraging the learner to comply with the requirement of attendance. Needless to say, learners should be made aware of the provisions of the Ordinances for attendance at the time of admission and an undertaking may be obtained from them (countersigned by parent/guardian wherever necessary) assuring regular attendance while understanding the consequences of defaulting.

6. At the end of the semester on recommendation of the Attendance Committee the Principal/Director/Head of the college/Institute/University Department shall display the list of the learners who are not allowed to keep terms, allowing them to appeal to the Principal/Director/Head of the college/Institute/Department of the University within 3 days from the date of display of the notice. After disposing of the appeals the Principal/Director/Head shall intimate the same to the In-charge of Examinations/the Controller of Examinations to withdraw the examination forms of such defaulting learners under intimation to those learners ensuring that the communication reaches the concerned at least 10 clear days before the commencement of the respective examinations.

7. Learners whose terms are not granted by the college/Institute/Department of the University can appeal to the Controller of Examinations in a prescribed form and by paying fees prescribed by the Management Council within 3 days from the receipt of the intimation and the Controller of Examinations shall arrange a hearing of the learners along with their concerned Principals/Directors/Heads of the Department represented in person or through a teacher nominated by them before the Committee (one each for every faculty) nominated by the Management Council comprising of 3 members including the convener. The respective committees shall convey their decisions to the Controller of Examinations which shall be final and binding on the learners once accepted and communicated by the Controller of Examinations.

Faculty of Arts
(Undergraduate Programmes)

From the academic year 2016-17 the University of Mumbai introduced new syllabi for the first year of most undergraduate courses. In 2017-18 the process will continue for the second year of the undergraduate courses.

The B.A. and B.Com. First Year Semesters I and II and Second Year Semesters III and IV semester-end examinations will be of 100 marks. The duration of the examination is 3 hours. There will be no internal assessment for the B.A. and B.Com. streams. The passing standard is 40%.

For the Self-Financed Courses the semester-end examinations will be of 75 marks conducted by the University of Mumbai. The duration of the examination is 2½ hours.

There will be internal assessment of 25 marks for all self-financed courses. The passing standard is 40%. However, to pass a course a student must obtain a minimum of 40% marks in (i.e. 10 out of 25) in the Internal Assessment and 40% marks in the semester-end examination (i.e. 30 out of 75). A learner will be said to have passed the course if the learner passes the Internal Assessment & semester-end examination together. Practicals will be conducted for B.Sc.(I.T.) and B.Sc.(H.S.) streams.

The tentative internal assessment test for the T.Y.B.A., T.Y.B.Com. and all SFC courses will be conducted mid-semester.

Guest lectures, field trips, industrial visits, seminars, workshops, quizzes, debates, essay writing contests, poster exhibitions and the screening of relevant films are just some of the exciting events in store for our students.

At the Senior College level, some of our co-curricular activities include music, dance, drama, quiz, elocution, debate and forums such as the Nature Club, N.S.S. and the Association for Inter-Religious Dialogue. Also, each department organizes its own plethora of activities as part of their respective Associations.
