

The Annual Quality Assurance Report (AQAR) of the IQAC

All NAAC-accredited institutions will submit an annual self-reviewed progress report to NAAC through its IQAC. The report is to detail the tangible results achieved in key areas, specifically identified by the institutional IQAC at the beginning of the academic year. The AQAR will detail the results of the perspective plan worked out by the IQAC. (Note: The AQAR period would be the Academic Year. For example, July 1, 2012 to June 30, 2013)

 - A. All the participating students were issued SOP certificates from ICOR.
 - B. Many students forged bonds of friendship especially with the children they worked with and have even decided to go back to these centres during their vacations.
 - C. Student Presentations of year-end reports which involves a candid sharing of views of the SOP experience reveal the real value of the programme
6. **Problems encountered and resources required:** Managing over 500 students and placing them in various centres, coordinating and supervising the work of each student besides managing lectures and other activities throughout the year.

BEST PRACTICE

1. **Title of the practice:** LIFE SKILLS PROGRAMME for First year students (FYBA & FYBCom)
2. **Goal:** to enable our students to develop the life skills necessary for personal happiness as well as professional success.
3. **The context:** It was felt that students needed to be equipped with the ability to know and understand themselves and the world around so as to be able to withstand the pressures and challenges of social media in an increasingly globalized world.
4. **The practice:** Sessions were conducted by experts on the following topics – Emotional Intelligence, Addiction, and Making Choices.
5. **Evidence of success:**
 - A. On an average, 30-50% students attended the sessions from each class.
 - B. Students became aware of the concept of Emotional Intelligence. It also help them to use emotional information as a guide to thinking and behaviour and also to manage / adjust emotions across environments/ goals. The session on drug addiction gave them an opportunity to listen to inmates who were in rehabilitation for drug abuse. Students were particularly pleased with the session on 'Making Choices' conducted by Deacon Ivan, whose dynamism enthused students, and helped them realize the importance of making the right choices at the right time.
6. **Problems encountered and resources required:** Since these sessions are conducted with large classes, the Conference Room was the best choice. However, it was quite difficult to get the room since it was often booked for other college activities. In such cases, we had to fall back on G1, but it wasn't as satisfactory an experience as having the sessions in the AV room.

Also, though students were told that it was compulsory for them to attend the sessions, in view of the fact that no disciplinary action was taken against those who did not attend, students preferred to avoid the latter sessions

BEST PRACTICE

1. **Title of the practice:** **VALUE EDUCATION SESSION** for Third Year students (TYBA & TYBCom)
2. **Goal:** To examine the need and necessity of ethics in our daily lives and to visualize problems and decisions from a moral perspective which will enable them to develop values for healthy personality development.
3. **The context:** It was felt that students needed to be equipped with the ability to know and understand ethical values to set up their own moral code of conduct. This would enable them to master the work ethics of the globalized world at the individual, family and social level.
4. **The practice:** Sessions were conducted by experts on the following topics –, Ethics, Leadership, Relationships.
5. **Evidence of success:** The value education sessions were wholesome and an enlightening experience. The lessons learnt will be treasured and helpful throughout life.
6. **Problems encountered and resources required:** There was difficulty in booking the conference room according to specific requirements.

Counseling Unit has been reaching out to students in need of any help, be it academics, developmental, emotional, behavioral, social or career related; to help students explore and reach their maximum potential leading to holistic development. This unit has offered its services to several students from the degree and junior college level. This has been in the form of new students walking in for guidance as well as students coming in for follow up sessions based on case requirements.

The various **issues experienced by students** and adolescents were – low self-esteem and confidence, academic issues, career related guidance, behavioral issues, body image issues, interpersonal relationship, depression, time management, substance abuse, and so on.

These **issues were dealt** using counseling techniques like anger management, reality therapy, cognitive behavior therapy, client-centered therapy, assertiveness training, organizational skills – Time management, positive thinking and relaxation techniques. In some cases, standardized psychological test and questionnaires were to be used to gain a greater insight & establish a scientific validation before providing the necessary guidance.

The counseling unit has gone beyond regular counseling services and carried out several activities for overall development of the students. A workshop on “**Developing Interview Skills.**” was conducted for the BBI students. This helped students to learn how to thrive in the job market and to be productive members of society. Teaching interviewing skills helped students’ communication (to express themselves verbally) and critical thinking abilities, setting them up for future success.

A guest lecture by Dr. Rashna Sadri was organized on “**Exploring careers in Special Education**”, a cross-disciplinary field; is an integral part of our educational system. This talk gave students greater clarity of the field and exposed them to alternate career prospects.

Various **Psychological tests** were administered on students, the interpretation of these tests helped students become aware of themselves, their strengths and weakness, their patterns of response, etc.. Some of the Standardized Psychological tests and scales administered to students were-

- Emotional quotient
- Levels of Hostility
- Depression
- Self Esteem
- Type A Personality

A workshop was conducted by Ms. Sneha Pareira on “**Test Anxiety, Time Management & Procrastination**” for the students. It was an interactive session using a power point presentation, drawing analogies to the difficulties faced by students and applying techniques discussed to life situations. The students of FYBA & SYBA attended the same.

Eminent psychiatrist of Mumbai **Dr. Harish Shetty** writes a blog **<http://mindmoodsandmagic.blogspot.in>**, which deals with issues concerning students, and reading these articles provides a psychological support to the students. Students are given regular updates and accessibility to the articles written.

Annexure VI

The Reunion which was earlier scheduled for Saturday, 26th November 2016, took a backseat due to the impact of the demonetization fallout, which not only took our country by surprise, but also struck a severe knock-out punch. But this did not stop the St. Andrew's College Alumni (SACA) Committee from going ahead with the Alumni Reunion, though, we together decided along with Principal, Dr. Marie Fernandes, to wait until things could get better. Our deepest fear was, will we make it happen, and we did! Gradually, as things got better, the SACA MC members met in early January 2017, and with the approval of Principal, Dr. Marie Fernandes, we decided to have Alumni Reunion 2017 on Saturday, 11th February 2017. All the SACA MC Members, along with the two professors in charge, Prof. Kevin Miranda and Prof. Savina Bhat, came together and designated responsibilities among ourselves. The handful of students who wholeheartedly came forward to render a helping hand in packing the gifts and the take-away gifts as well, need a special mention.

Eventually, Saturday, 11th February, turned out to be a wonderful evening. The school ground was beautifully decorated with red and black balloons, which coincided so well, keeping in mind that Valentine Day was just around-the-corner. The atmosphere across the ground gave a very mesmerizing feeling. Our Compere for the evening was our very own ex-student, the charming and bubbly Lavinia who rocked the evening away with some exciting games and spot prizes which kept the crowd in splits of laughter. Definitely Lavinia made sure to leave no stone unturned. The nostalgic music of yester years and the current Bollywood music provided yet again by our very own SACA MC member, Brian Menezes, definitely kept everyone's toes tap tapping on the dance floor.

We were very happy to have in our midst, Rector, Rev. Fr. Magi Murzello, to come and grace the occasion. Fr. Magi Murzello, along with Principal, Dr. Marie Fernandes, made a warm entry. This followed a short and sweet speech by both, expressing their views on the Reunion and their gratitude to the SACA Committee. SACA President, Parvez Aga, also said a few words and introduced the SACA MC Committee to all the ex-students present that evening. By then a crowd of about hundred plus had already made their entry. For those ex-students who took time off from their busy schedule and came out of their own free will, only to be a part of the Reunion because of their attachment to their college, their professors and their batch mates. To most of them it was not only to network, but also to gain insight into various experiences and use others expertise to improve themselves and if I agree – to catch up on the good old times. Across the ground one could see batch mates and colleagues meet up and exchanging conversations with their professors as well. The Reunion surely created an opportunity shaping our future. Adding to the evening, one could get a whipping aroma and a blend of flavors coming from the food counter. Everyone enjoyed their fill of the sumptuous snacks and the dinner spread. Fr. Magi Murzello graciously led us all to the 'Grace before Meals'.

The Photo Booth needs a special mention. One could see ex-students gather around with their batch mates and posed for a picture or two with smile on their faces, tickled by the beautiful props

in all variety, funny and cute ones, shopped by the SACA MC Committee to make the Reunion give out a different punch of essence.

And to capture the beautiful evening, we had Prof. Savina Bhat, who co-ordinated with our very own students, who in turn made sure not to miss out on a single picture.

At the Reception Desk too, we had two of our students who did a fabulous job.

To conclude, on behalf of the SACA MC Committee, a thank you to Principal, Dr. Marie Fernandes, Rector, Fr. Magi Murzello, our dear Professors who made their presence felt and the handful of students who contributed in giving the SACA MC Committee a helping hand. Last, but not the least, a big 'Thank You' to all our dear Ex-Andreans for making it memorable.

We shall persevere to be a worthy SACA MC Committee that St. Andrew's College, Bandra, has produced.

Value education session for TYBCOM and TYBA students

The first value education session conducted by Fr Keith Dsouza SJ and was on the "Ethics". It dwelt deep into examining the need and necessity of ethics ,in our daily lives and to look at problems and decisions from a moral perspective. It was a visual presentation that really got everyone engrossed.

The second value education session was conducted by Ms. Maria Coelho. The talk centered around "Perceptions". Kicking off with an interesting short film, the session spoke at length about the role that perception, both our own and of the people around us, affects our lives and decisions. A very interactive activity followed which found us divided in groups based on our attributes as viewed by ourselves and found us coming to a number of realizations.

The third session was conducted by Mr Cyrus Gonda on the very pertinent topic of "Leadership". This was a discussion on the various attributes in a leader and the styles and needs of a leader with respect to his projects. A journey ranging from Gandhi, to Hitler, to Donald Trump culminated in an examination of Tata as a role model for leadership and an emphasis on leadership succession planning.

The final session was conducted by Deacon Ivan Fernandes on "Relationships". He had us hooked by our ears as we looked at the various challenges and issues with relationships in our modern times and how to tackle these in our very own lives. The presentation was barely viewed as our ears were engaged with enthralling commentary and storytelling.

The value education sessions this year were wholesome and an enlightening experience. Lessons learnt here are going to be treasured and handy all through our lives. The students are grateful to Prof. Braganza and all the student coordinators who assisted her.

Value Education (2016-17) (SFC)

TYBBI/BMS/BMM/ BSC-IT/BSC (Hosp)/BAF

The first session was conducted on 13th August followed by 31st August by Fr. Keith D'souza to help the students take Ethical Decisions. Taking the right decision at particular situation how to react to it accordingly.

On the 6th and 7th October sessions relating to pros and cons when it comes to Job v/s entrepreneurship was held by Manak Singh. This session is helpful in opting for job which you are interested in.

Mr. Vivek Mendonsa threw some light upon Ethical Entrepreneurship it was on 14th December. It was more about facts and reality in the day-to-day business.

An important session on 16th and 17th January by Ms. Maria Coelho spoke on the importance of teamwork, sportsmanship and hard work. It is helpful in team building and maintaining healthy relations with the co-workers.

Last session to be held on 2nd March by Mr. Stephen Fernandes on Money Management.

All the value education sessions conducted helped the students to improve their personality, development of personal behavior and mental skills.

Student Outreach Programme – Degree College

In the academic year 2016-17, the SYBA and SYBCom students of the Degree College had an Orientation about the Social Outreach Programme by our programme co-ordinator, Ms. Deepika Singh of the Institute for Community Organization Research, St. Pius Seminary, Goregaon.

This year our students volunteered 20 hours of service in 24 centres such as Asha Kiran Community Centre, St. Anthony Church, Vakola; Cheshire Home, Mahakali Caves Road; Navjeet Community Centre Holy Family Hospital, Fatima Ashray for street girls, Sacred Heart Church, Mahakali Rd; Ashankur Welfare Centre C/o. Holy Family Church, Chakala; Jeevan Asha Home for the aged, Shraddha Vihar, Veera Desai Road, Andheri; Stella Cancer Center, Benapatti, Merces, Vasai; UMED, (Diocesan Small Scale Industry for Disabled), Bhuigaon Phata, Nirmal, Vasai; Don Bosco Shelter Our Lady of Dolors, Wadala etc. Some students also identified their own centres such as Little Angels Society for the Disabled, Bandra and after securing approval, completed their 20 hours of service there.

Their social work included teaching and co-ordinating programmes with disadvantaged and special children, working in orphanages, assisting in aged homes, hospitals and NGO's working for environmental issues. Many students forged bonds of friendship especially with the children they worked with and have even decided to go back to these centres during their vacations.

At Juhu beach, co-ordinated by Ms. Deepika Singh, the students conducted a survey on cleanliness.

At the end of the academic year, students must submit a report of their experience along with their certificates. It is these reports, in which students candidly share their views of the SOP programme that the real value of the programme comes to light.

A detailed report of the Social Outreach Programme will be presented by Ms. Deepika Singh to the Principal at the end of the academic year. Once again, we express our heartfelt gratitude and congratulations to Bishop Allwyn D'Silva and many thanks to Ms. Deepika Singh and her team. We also thank the NGO's and institutions which welcome our students and support our outreach programme.

SOCIAL OUTREACH PROGRAM – SELF FINANCED COURSES

Not all of us can do great things, but we can do small things with great love

- St. Mother Teresa

The Social Outreach Program aims at encouraging students to start small while they contribute towards a better society. This program requires the students studying in the second year degree classes to complete 20 hours of social work. The students are placed in NGOs and special schools across the city where they dedicate themselves to doing their bit for the society.

Our students were placed at various organizations, some of them being:

- Navjeet Community Center
- Snehalaya Special School
- ADAPT
- Snehasadan
- Sondbound
- Atletico De Madrid Cooperation
- Kingdom School
- House of Charity
- Young Women Christian Association
- Bless Foundation

This year we aimed at effectively using the skills of our students while reaching out to the less-fortunate. Keeping this in mind, a group of students conducted a week-long art workshop at Navjeet Society where teachers and children were taught to make canvas paintings, greeting cards, bookmarks and favors. One student (trained in Self defense) volunteered to train girls for Self Defense at Navjeet Society. A group of students willingly put their creative thoughts into action while they painted a Balwadi School at Bandra. Some musically inclined students trained children to sing at the NGO Songbound. The budding footballers of our college were selected by Atletico

De Madrid Cooperation to train young children for football at BMC schools. Most of the students undertook teaching children as their social work and thoroughly enjoyed it.

Along with lifelong memories this program created more of an awareness and realization among the students about the state of the society at large and how the little they did made a difference in the lives they touched. For some students the impact was such that they went beyond the 20 assigned hours and still continue to do so.

LIFE SKILLS PROGRAMME FOR FIRST YEAR STUDENTS

What was thus far known as the Value Education Programme was renamed the 'Life Skills Programme' from this academic year onwards considering that the sessions conducted are geared towards enabling our students develop the skills necessary for personal happiness as well as professional success.

The three sessions held this year were open to all first year students of the degree college as well as the self-financed courses. The first session on 'Emotional Intelligence' was conducted by Ms. Rohini D'Souza in the month of August, and made students aware of the concept of emotional intelligence as well as the ways in which it could be acquired. For the second session, first year B.A and B.Com students went to Kripa Foundation, Bandra for a session on 'Addiction' in December, while the first year students of the self-financed courses had their session in college in January. The third and final session for the year was perhaps the most popular session, and was conducted by Deacon Ivan Fernandes on 'Making Choices'. The session highlighted the importance of making the right choices in order to empower oneself, and develop a strong and magnetic personality.

Sessions conducted for FYBA/B.Com

Emotional Intelligence- 3, 4 and 5 August 2016

Addiction – 13 and 14 December 2016

Making Choices – 12, 13 and 14 January 2017

Life Skills Programme (2016-17)

FYBBI/ FYBMM/ FYBSc.- IT/ FY-HS/ FYBMS/FYBAF

We had our first session of Life Skill Programme on the 30th and 31st of August 2016 by Mrs. Rohini Dsouza who spoke on the topic of Emotional Intelligence. It helped the students to recognize their own, and other people's emotions, to discern between different feelings and label them appropriately, to use emotional information to guide thinking and behavior, and to manage and/or adjust emotions to adapt environments or achieve one's goal.

The second session was conducted on 16th and 17th January 2017 by the speakers from Kripa Foundation, Bandra. The topic they covered was 'Addiction'.

The third session was conducted on 2nd and 3rd of February 2017 by Mr. Ivan Fernandes on 'Making Choices'. The session highlighted the importance of making the right choices in order to empower oneself, and develop a strong and magnetic personality.

Faith On Campus

Faith on Campus visited **Mother Teresa's home** at Borivali on 18 September 2016. Here the students personally interacted with the inmates who were street kids, leprosy patients and the old.

Faith on Campus also organised a three day **rural visit** to Mahad on 27, 28, 29 December 2016 to share the joy of Christmas with those far far away from city life.

In the course of these three days, the students travelled across around 5 villages that were hours apart from each other. Here they visited every home, distributing cake, biscuits, sweets and writing pens in each home. They also spent time with the children at each village, gathering them together at one place, teaching them basic English and also enjoying a time of singing and dancing with them. On 28 December a Christmas dinner party was organised for all the children. Approx. 150 of them joined in these Christmas celebrations and our very own students cooked a lavish meal for them, decorating the trees and the ground too themselves, to get a feel of Christmas. The students also organised games and fun filled activities with Santa Claus for all of them. They even had a small talent contest for the kids and surely villagers have some amazing hidden talents! Thanks to the kindness of St. Andrew's school's mission sunshine, all the children were given a return gift of a small pouch filled with stationery, biscuits, basic sanitary items, chips and many more goodies. What better way to celebrate Christmas than to bring smiles on these little faces. Oh how their faces were lit up with joy! Our students also visited the brick making factory, the organic farm and dairy factory in the area, which was started to generate employment for the villagers. It was indeed a heart touching experience for all the students to personally interact with these villagers and truly understand their problems.

Faith on Campus celebrated Easter with the children of the **juvenile homes** at Bandra, Matunga, Umerkhadi and Mankhurd on 17, 18, 19 and 20 April 2017 respectively.

College Women Development Cell (CWDC)

The University of Mumbai set up the University Women Development Cell (UWDC) in 2001 in response to the Vishaka judgment passed by the Supreme Court in 1997. The main objective of this cell is to make the University gender-sensitive. The College Women Development Cell (CWDC) of the college is constituted as per the directive of University of Mumbai. Its main objective is to sensitise students to the issues related to gender with specific reference to sexual harassment. In accordance with the directive of UWDC the CWDC has constituted the Internal Complaints Committee as per the provisions of The Sexual Harassment of Women at Workplace (Prevention Prohibition and Redressal) Act.

CWDC has conducted various activities in the current academic year to make our campus gender sensitive. These includes workshops, guest lectures screening of documentaries followed by discussions and deliberation

WORKSHOPS:

Prof. Vijendra from University Women Development Cell (UWDC) took sessions on “Sex Role and Gender Sensitisation” where he highlighted on issues related to patriarchy resulting in a biased sex role socialisation. He also took a session on “Gender Discrimination” for the Self Finance Course students. Adv. Sonika Shetty conducted a workshop on ‘Sexual Harassment and Legal Implication’. The sessions were on Vishaka guidelines on sexual harassment, rape, Article 498 a, 509 and marital rape.

GUEST LECTURES:

Aadesh Chavan from Yuva Aadhar, an NGO conducted workshop on ‘Gender Relations

Rinki Bhattacharya Activist and Film maker discussed on issues related to physical and sexual abuse in marriage and relationships.

Adv. Sonika Shetty conducted a workshop for students on sexual harassment at work place

STREET PLAYS

The S.Y.B.B.I students enacted two skits on Domestic violence and Women Safety where they portrayed the pain and torture a women goes through at every stage of their life and how they should stand up against it and fight for their rights.

DOCUMENTARIES.

The CWDC has screened a series of documentaries pertaining to gender sensitisation since students are able to relate and participate in a more effective manner. This is followed by discussions and deliberation and at times an activist or social worker is called to give their views. Some of the prominent documentaries screened are the following

BOL on gender discrimination

BORN IN BROTHELS -An Oscar winning documentary highlights the challenge that women face when they are in flesh trade. It highlights the life of children especially girls who are socialized to be future flesh trade workers.

WATER introspects into the tales of rural Indian widows in the 1940s and covers controversial subjects such as misogyny and ostracism.

PARCHED speaks on social evils and age-old traditions and practices of patriarchy, child marriage, dowry, marital rapes and women empowerment.

ANGRY INDIAN GODDESS highlights and showcases numerous issues faced by residents of the country such as gender inequality, women as objectified sex objects, gay-straight friendships, big business vs. tribal rights, rape problem, caste differences, skin-color prejudice and lax justice.

BEHIND CLOSED DOORS This highlights the violence that women face behind closed doors in their respective families. The documentary teaches that women should not be treated as objects and has an identity of their own
