18 August 2020

Students of the above classes are informed that there will be no lectures tomorrow 19 August 2020 as our online service provider **Edfly** has to update Class time-tables and allocate students to their proper divisions. Regular lectures with the new time-table will begin on Thursday, 20 August 2020.

TYBA students will have their Library session tomorrow from 9.30 AM to 12.30 noon. This is an important session to guide students on how to refer to online books and journals and help them complete their project work. Attendance is compulsory.
