SCHEDULE FOR REGULAR PRACTICALS FOR PRIVATE CANDIDATES

&

EVS PROJECT WORK & ASSIGNMENT SUBMISSION SCHEDULE

2020-21

1. The Schedule for Physics, Chemistry, Biology, IT and Mathematics (Science & Commerce) Regular Practical's for Private Candidates is as displayed below.
2. The **Mathematics Practical will be online**. Mathematics teacher will send the **Zoom link** on the WHATSAPP group, students should join from the same.
3. **The Regular Practical's are only for Private Candidates**, but if repeaters wish to join they are welcome under the condition they do not create any discipline issue during the Practical's.
4. **Consent letter is a must for all attending any practical**. Each time a candidate attends a given subject Practical, he must submit **CONSENT letter**, failing which **he/she will not be allowed** to attend the Practical.
5. The Consent letter can be downloaded from the College website.
6. **The Private Candidates will follow the new syllabus and the Repeaters and Class Improvements will follow Old Syllabus with regards to theory and Practical.**
7. **The Private Candidates should make new Journals as per the instructions of the subject teachers which are posted on the WHATSAPP group.**
8. **The Repeaters should not make new Journals, only Class Improvements have to make new Journals.**
9. **The Journals Certification dates will be announced in 3rd or 4th week of March 2021.**
10. The EVS Project & Assignments Submission schedule is also displayed below.
11. The Private Candidates must follow the necessary instructions as issued by the concerned EVS teacher.
12. **The Repeaters if they have already submitted the EVS Projects and Assignments, they should not resubmit the same.**
13. The Class Improvements candidates will have to submit the EVS project and assignments as per the old syllabus.
