

**Regular / A.T.K.T. Examinations April – May 2021**  
**Instructions to Candidates for the On Line Examinations**

- (1) All questions in examination paper are multiple choice questions.
- (2) There are 50 multiple choice questions.
- (3) All questions are compulsory.
- (4) All questions have four alternatives. Select the most appropriate alternative by selecting the bullet next to it.
- (5) The duration of all papers is one hour.
- (6) If for some reason internet connectivity is suddenly lost. Re-login. You will be allowed to continue from the point where you left off.
- (7) Please note you will not be given any extra time.
- (8) Review all your answers before you finally submit your paper.
- (9) You cannot change your mind about any answers once the paper has been submitted.
- (10) There is no revaluation.
- (11) Do not attempt to open another tab in the browser or open another window. It will be taken as an attempt to use unfair means.
- (12) Ensure that your mobile phones or laptops are fully charged before the start of the exam.
- (13) In case you face any issues during the examination or while submitting the paper, use the help lines provided by our service provider.  
You can also use the google form for exam issues. The link will be provided on the college website. It will open one hour after the papers end on the first day.
- (14) Ensure that you attempt the mock test as per the date and time provided for your class.

**All the Best.**
