What did you like least about the course?

At times it was too much information to take in.

nothing

Nothing.

Knowledge about how to do registration and create challan

That the gst kit was provided very late

None.

Sometimes I don't use to understand case studies but they were fine

Content of the course was very nicely presented.

The lectures weren't too precised.

The classes were not ending at time which causes problems.

Nothing

The calculation and the dates were kind of confusing

Liked everything

Extended lec hours

No lecture recordings: sometimes there were network connectivity issues during lecture timings and i missed out on learn something different

Nothing

Nothing unique in this course

It was good

Nothing to dislike

Nothing to dislike

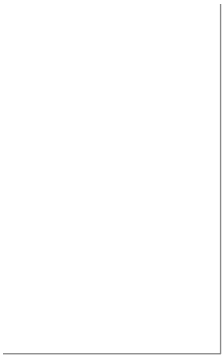

Nothing.

N/A

The timing

3 teachers were patient in answering all our doubts.

2hrs was a little long to process everything

Is there any Any additional comments regarding the course?

Worth the time and money.

In starting I thought GST would be a little confusing but after completion of course. I think now

No. No.

None None

No. The whole course was very satisfactory.

- -

Yes, Place of supply I think should have been covered under this course.

I think as a No.

How do businesses calculate GST for a period of time with examples

No Very interesting, learnt many things

I guess since I liked the course overall as well as the way of professor's teaching us so I have no additional

No

that topics , but as lms was there, I didn't worry too much about it, just it would be good if there were recor

GST returns.

No More examples

No No

No No

NA NA

N/A N/A

No No

I am clear about the concept of GST.

comments

things too. Difficulties in logging into the LMS portal, During exams studies also i was facing lot of difficultie

is in logging.
