Academic Year 2020-21 Report:

In this year, it was not possible to organize Avishkar Research Convention in the regular mode. Thus, to keep the temperament of the research, the Board of Students' Development, University of Mumbai, decided to conduct this research activity on a Virtual Platform. In the selection round the research proposals were invited online. 7 teams participated from St. Andrew's College in the selection round in the categories of Humanities, Commerce and Management.

To encourage the students to participate in research activities at inter-collegiate, district, university and state levels, an online orientation session was conducted on 10 November 2020 by Dr. Madhu Rai. To promote the interaction among the students for the exchange of various aspects of research, a power point presentation round was organised for the participants via Zoom platform on 4 March 2021.
