POLICY FOR INSTITUTIONAL AND NON-GOVERNMENT SCHOLARSHIPS AND FREESHIPS

The following is the institutional policy for providing financial assistance to students of the college of modest financial means/merit, who do not qualify for government schemes.

Donors

The College has been inviting well-wishers and alumni to institute scholarships and freeships for students in financial need, who do not qualify for government schemes due to various reasons.

Eligibility:

- The eligibility is decided by the donor at the time of establishing the scholarship.
- The final selection of the candidates is done in keeping with the donor's wishes and the eligibility is verified by the teaching and non-teaching staff.

The Financial Corpus

The Donor may decide upon a primary amount which is deposited into a fixed deposit, from where the yearly interest serves as the yearly scholarship to be paid to the recipient OR the Donor may release the scholarship amount annually

The Procedure of Awarding the Scholarship/Freeship

- At the beginning of each academic year, the list of available scholarships/freeships along with eligibility are displayed on the notice boards, circulated notices, the college website and prospectus
- Shortlisted candidates' details are checked by the teaching/non-teaching staff
- Receipts and other records pertaining to the scholarship/freeship are placed on record.
- The list of recipients is published in the annual magazine of the college.
- Scholarship are added as and when amounts are received from donors and discontinued when not sustainable financially from the donors corpus amount.
