

Activities of B.Sc.-I.T. department's Association , **The Andrean IT Club : 2016-17**

As a part of our holistic approach , our department conducted various activities in this academic year.

Essay Writing Competition :

In order to give our students a chance to explore and express about trendy happenings in their field we have conducted an essay writing competition for all the three classes.

The topics given are : **“Open sourced Vs Licensed software”** and **“Green Computing”**.

Guest Lectures :

29th July 2016 – Guest Lecture by Mr.Abbas Stovewala from LeAD IT Centre on **“Project Life cycle”** for T.Y.B.Sc.-I.T.

4th August 2016 – **“CV Writing”** for S.Y.B.Sc.-I.T.

12th August 2016– **“Corporate Ethics and Etiquette”** for our T.Y.B.Sc.-I.T. students.

7th January 2017– **“Data Science”** by Ms.Jinal Shah from Finstat Analytics and **21st January 2017**– **“Cloud Computing”** by A.P.Raj from Rave Technologies India Pvt.Ltd.

Workshops :

Workshop on **“Drupal – web tools”** in IIT,Powai attended by Six of our T.Y.B.Sc.-I.T.

30th September 2016 and on 1st October 2016– T.Y.B.Sc.-I.T. students had a workshop of **Software Testing Tools**.

Industrial Visit :

30th August 2016– This year we got an offer from one of our IQAC members Mr.Joseph D'Souza to visit their automobile company. Our S.Y.B.Sc.-I.T. and T.Y.B.Sc.-I.T. students visited **Alf Engineering Company at Nasik**.

The company manufactures major parts that are used in different types of automobile. From the computerization in their office to the actual manufacturing in their plant, the robotics used in the plant are demonstrated to our students. It's was a memorable and enriching experience for our students. Prof. Neeraj Shukla and Prof. A.N.S.Sarvani accompanied students during this visit.

Blog :

This year our department started a blog – **ANDREAN TECH TALK** – for our students to express their literary skills, to raise discussions on various IT related topics. Prof. Jenecia Menezes has taken initiative for this creative step and is In-charge of the blog.

Our students Alisha D'souza and Nikita D'Mello from S.Y.B.Sc.-I.T. and Bosco Correa and Jason D'Mello from F.Y.B.Sc.-I.T. are compiling and moderating the blog under her guidance.
