

Activities of B.Sc.-I.T. department's Association , **The Andrean IT Club : 2017-18**

Here is a brief summary of the string of activities we conducted in this academic year :

Guest lectures :

- **31st July 2017**-Guest Lectures were on 'Simulation Cases & Group Projects' by IBS
- **13th September 2017** -'Career Development' by Endeavor
- **11th December 2017**– 'Cloud Computing- Azure Technology' by LeAD Infotech
-

Bridge Course :

6th and 7th of December 2017– A two-day bridge course for F.Y.B.Sc.-I.T students Our Resource person was Ms.Jenecia Menezes.

Knowledge of basic HTML is a strong support for the learners of Web Programming.

Coding competition :

24th February 2018-Coding skills are the core part for the learners in I.T. courses. Peer-to-peer sharing of these skills do wonders in enhancing those skills. Our S.Y.B.Sc-I.T. students took lead in this arena and took a session for F.Y.B.Sc-I.T. students in which they provided guidance in debugging code. We continue our efforts in this arena through activities like "Find-it and Fix it" , a coding/debugging competition organized by our alumni Mr.Nathan Dpenha

Demonstration Lectures :

7th and 8th February 2018 – Practical demonstration on Database Connectivity with ASP.NET for TY.BSc.I.T students, which helps them in their Final Projects. This was organized by Ms.Jenecia Menezes as the resource person.

24th February 2018 and 1st March 2018– R-Programming session by our Alumni Mr.Nathan Dpenha.

Aptitude Test :

17th January 2018- During their final year, students attend various recruitment drives and to make them strong in that domain we organized a session this year by CL educate Ltd.

Mr.Prasan Kamat from the organization conducted a practice session of aptitude tests and also gave the analysis of the results.
