

B.Sc.-I.T. department activities in the academic year 2022-23

The department has conducted a **guest lecture** on “ Internet of Things “ by Ms.Chitvan Mehrotra from IBS, Mumbai on 17th August 2022. This lecture helped students have an overall understanding of applications of the concepts.

During the later half of the academic year , a **workshop** on“Impact of Effective Interaction- in workplace “ by Ms.VandanaSengupta ,Voice coach / comm skills trainer, on Mumbai 18th January 2023. This workshop was conducted in order to revive communication skills for IT students before entering into the industry arena.

On 3rd February 2023 , a **demonstration lecture** on “Cyber Security” by Mr.ArvindMuke , Network Engineer at CTLRS ltd. This lecture gave a through understanding of real-time networking concepts , firewalls and other security concepts.

As a practice of inviting alumni to share their industry knowledge with current students , this year the department organized a **10hr skill development course** on “Modern App Development” by Mr.Shannon Rodricks, freelance software Developer , on 15-17 , 20 & 22 of Feb’ 2023. Through this course students have learnt to code latest app development tools which are not covered in their curriculum.
